

## POLICIES

POLICIES for Prevention of Mental Disorders

[2] Selective Programs

- a) Biological factors
- b) Psychological factors
- c) Social factors
  - i Indigenous families
  - ii Immigrant families
  - iii Children involved with bullying
  - iv Children in out-of-home care

### **[2 c iii ] Social factors: Children involved with bullying**

MHYFVic advocates that all schools should implement an Anti-bullying program involving “Steps to Respect”, encouraging empathy and respect for others, active surveillance of student progress, and prompt counselling for students who are victims and the perpetrators.
