

POLICIES

POLICIES for Continuing Care of Persons with Mental Disorders

[8] Long-term care

- a) Residential services
- b) Occupational and ancillary supports

[8 b] Occupational and ancillary supports

MHYFVic advocates that State and Federal governments should provide funding and administrative support for agencies to provide:

- Supported employment (or in the case of young persons, supported special education),
- Supported housing,
- Social skills training,
- Mental Health treatment and Consultation/Liaison services as required, and
- Full implementation of the NDIS.
