[9 c] Training

MHYFVic supports the crucial role of 'mindful', the Mental Health Training Institute, in the provision of its specialist training programs, especially the Developmental Psychiatry Course.

MHYFVic advocates that all human services agencies provide their support staff with appropriate mental health training commensurate with the risks and responsibilities of their roles.

MHYFVic advocates that all human services agencies ensure that their support staff have appropriate mental health consultancy services available when required.

MHYFVic advocates that all regional specialist Mental Health Services provide consultancy services to other human services agencies. [See Pe9b, BP9b]
